

Keep Safe Training

3 day Training + access to 4 x 90 minute group consultation sessions

Keep Safe: intervention for children and young people with learning disabilities who have displayed harmful sexual behaviour(s) and their parents/carers

Participants are required to attend all 3 days.

Target Group: *This course is useful for education, social care, health, and criminal justice staff working with young people aged 12 to 25 with Learning Disabilities who have displayed problematic and harmful sexual behaviours, and their parents/carers. It will also be of benefit for those working with young people without learning disabilities who have harmed sexually.*

Date	Venue	Time
20 th , 27 th January and 3 rd February 2022	Microsoft Teams	10:00am – 3.00pm

Aims for the course:

- To gain an understanding of how best to intervene where there are concerns with regards to young people with learning disabilities engaging in problematic and harmful sexual behaviour.
- To develop an understanding of the Keep Safe intervention programme as well as the skills required to deliver the intervention within different contexts.

Learning Outcomes: By the end of the course, participants should be able to:

- understand the theory and evidence-informed practice underpinning the *Keep Safe* intervention with young people aged 12 to 25 with learning disabilities who have harmed sexually
- use the *Keep Safe* intervention for young people with learning disabilities who display harmful sexual behaviour(s) and their parents/carers within different contexts
- experience some of how *Keep Safe* is delivered
- develop the skills to deliver *Keep Safe* in both its original group-delivery format or as an individually focused family intervention within a range of contexts.

There will be both “didactic” and interactive elements. An electronic *Keep Safe* Manual with background, session plans and resources, and copies of the *Keep Safe* training power points will be made available to participants after the event. Manuals will also be available during the training. Places are limited to enable interactive elements.

Included in the training fee are 4 x 90 minute group consultation sessions via Teams across the following year, for participants to consolidate learning and access an opportunity to reflect and ask questions about delivery of the *Keep Safe* materials. These will be 10-11.30am on Tuesday 10th May, Thursday 15th September, Tuesday 13th December 2022, and Thursday 16th March 2023.

National guidance in 2016 has drawn attention to the needs of children and young people with learning disabilities who display harmful sexual behaviour(s) and for appropriate interventions for them (NICE guideline, NG55 “Harmful sexual behaviour among children and young people”, <https://www.nice.org.uk/guidance/ng55> , NSPCC “An evidence-informed framework for children and young people displaying harmful sexual behaviours”, <https://www.nspcc.org.uk/services-and-resources/research-and-resources/2016/harmful-sexual-behaviour-framework/>

Schools guidance was updated in September 2021, which includes guidance relevant to child on child on child sexual harassment and violence and is available at <https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

The *Keep Safe* intervention manual for young people with learning disabilities who display harmful sexual behaviour(s) and their parents/carers was developed and feasibility trialled by a national collaborative of practitioners and researchers and advisers from the learning disabilities community, hosted by the Tizard Centre, University of Kent - see <https://www.kent.ac.uk/tizard/sotsec/ySOTSEC/ySOTSEC.html> or <http://cchp.nhs.uk/cchp/explore-cchp/be-safe>

Trainers include:

- Stephen Barry, Clinical Team Manager/Lead Clinician, AWP Be Safe Service
- Alice Hunt, Senior Specialist Practitioner, AWP Be Safe Service
- Rowena Rossiter, Consultant Clinical Psychologist/Honorary Researcher, Tizard Centre, University of Kent
