CYBER CHOICES

Date: Tuesday 24th May 2022

Time: 10am - 11:30am

Presented by: Jay Thompson, Cyber Choices (part of the South West Organised Crime Unit).

Cyber Choices are part of the South West Regional Organised Crime Unit - Preventing individuals from becoming involved in cyber dependent crime.

Aim: This webinar aims to inform, educate and bring awareness to individuals about cyber dependent crime.

Objectives:

- To educate those who work with young people on what cyber dependent crime is, and the risks involved.
- To explain pathways and what to look out for regarding this type of crime.
- To explain how we can support those who may be concerned about a young persons' risk of involvement in this type of crime.
